Cedar Springs is a quiet family owned park established in 1966. The park is situated in a peaceful location just 5 minutes walk from Heacham beach. Heacham is an attractive coastal village with amusements, pubs, takeaways and shops all within walking distance.

Heacham is the home of Norfolk Lavender and has historical links to Pocahontas who features on the village sign. Heacham beach is a mixture of sandy stretches and stones. It is one of the few beaches in Eastern England where the sun sets over the sea making for some truly stunning sunsets...

The Royal Estate of Sandringham is just 15 minutes away and the popular seaside town of Hunstanton is 3 miles away, within walking distance along the prom. There you will find all the attractions of a Victorian seaside town such as a theatre, Sea Life Centre, leisure centre, fairground, bowling, crazy golf etc...

RSPB nature reserves are nearby at Snettisham and Titchwell. Wild Ken Hill is on the outskirts of the village and has been a regular host for BBC Spring/Autumn/Winterwatch in recent years.

A car is advisable to explore the lovely countryside and unspoilt beaches of the Norfolk coast. However if you prefer to leave the driving to someone else there are excellent bus routes that run regularly through Heacham and the coastal villages and towns along this beautiful coastline.

The properties featured in this brochure are owned and supervised by the park owners. Designated parking spaces provided outside each property. Free WiFi.
